

PRUB 49

16-cr-314

**UNITED STATES DISTRICT COURT**  
**EASTERN DISTRICT OF VIRGINIA**

**Waiver of Hearing to Modify Conditions of**  
**Probation/Supervised Release or Extend Term of Supervision**

I have been advised and understand that I am entitled by law to a hearing and assistance of counsel before any unfavorable change may be made in my Conditions of Probation and Supervised Release or my period of supervision being extended. By 'assistance of counsel', I understand that I have the right to be represented at the hearing by counsel of my own choosing if I am able to retain counsel. I also understand that I have the right to request the court to appoint counsel to represent me at such a hearing at no cost to myself if I am not able to retain counsel of my own choosing.

I hereby voluntarily waive my statutory right to a hearing and to assistance of counsel. I also agree to the following modification of my Conditions of Probation and Supervised Release or to the proposed extension of my term of supervision:

1. The defendant shall allow the U.S. Probation Officer, or other designee, to install software designed to monitor computer activities on any computer the defendant is authorized to use. This may include, but is not limited to, software that may record any and all activity on computers the defendant may use, including the capture of keystrokes, application information, Internet use history, email correspondence, and chat conversations. The defendant shall pay any costs related to the monitoring of computer usage.
2. The defendant shall submit to risk assessments, psychological and physiological testing, which may include, but is not limited to a polygraph examination and/or Computer Voice Stress Analyzer (CVSA), or other specific tests to monitor the defendant's compliance with supervised release and treatment conditions, at the direction of the U.S. Probation Officer.
3. The defendant shall not use or have installed any programs specifically and solely designed to encrypt data, files, folders, or volumes of any media. The defendant shall, upon request, immediately provide the probation officer with any and all passwords required to access data compressed or encrypted for storage by any software.
4. The defendant shall provide a complete record of all computer use information including, but not limited to, all passwords, Internet service providers, email addresses, email accounts, screen names (past and present) to the probation officer and shall not make any changes without the prior approval of the U.S. Probation Officer.
